

# CONSIDERING A FIT OUT FOR YOUR PREMISES?

**MORRIS**  
PROPERTY

Amazing spaces don't just happen. The right fit-out, refurbishment and finish takes time to plan.

Large or small, old or new; we offer fully flexible, tailor-made fit-outs alongside our 'design and build' packages.

We will sit down with you one to one to find out your exact requirements

Then we will design it

Once underway we will agree deadlines and stick to them

The build begins with our skilled and trustworthy people working to the highest standard

You will be kept in the loop at all times by our team

Safety first throughout the job. All our training and processes mean there will be no nasty surprises

Which all means that the final checks are simple and easy

All that remains is the grand opening

Welsh Bridge | Shrewsbury | Shropshire | SY3 8LH

Our experienced team are specialists in fit out and refurbishment projects both large and small where design is as important as functionality. Our bespoke joinery adds additional quality and value to the Morris Property offer.

Quality works delivered on time and to budget combine with a genuinely collaborative customer approach and personalised service. From the simplest to the most sophisticated turn-key project, our specialist designers produce detailed plans using state-of-the-art computer-aided design technology and can provide full project management from start to finish.
